# Subnetting Class A Networks

- The exact same process as before...
- Except we begin subnetting in the 2nd octet!

	8 bits	8 bits	8 bits	8 bits
Class A:	Network	Host	Host	Host
Subnet Mask	11111111.	00000000.	00000000.	00000000
	255.	0.	0.	0
